

Product Information:

SUPER SPORT V-TWIN 10W-50 4-STROKE ENGINE OIL

Description

A high performance multigrade engine oil manufactured from synthetic base fluids and a carefully formulated additive package. Super Sport V-Twin 10W-50 is designed for use in modern sports motorcycles and will provide high levels of engine cleanliness and wear protection, even under the most severe operating conditions.

Applications

Super Sport V-Twin 10W-50 can be used in all makes of 4-stroke 600cc to 1600cc performance motorcycles, tourers, cruisers and custom machines. Suitable for highly tuned competition engines, V-Twin or opposed-twin, used by Aprilia, Ducati, Suzuki, Yamaha, Kawasaki, Cagiva, Honda and BMW.
