

Product Information:  
**SPORT 4 10W-40**  
**4-STROKE ENGINE OIL**

**Description**

Sport 4 is a premium quality 4-stroke engine oil combining the latest synthetic performance additives with high quality mineral oils. This oil provides critical cold start and high temperature performance ensuring engine component protection under a wide range of operating conditions. Sport 4 is also formulated to provide engine cleanliness, reduce wear and control rust and corrosion. An ideal choice for motorcycle workshops.

High viscosity Index and excellent shear stability give genuine stay-in-grade performance, even in high revving engines, while excellent anti-wear performance ensures optimum reliability of both engine and gearbox components. Sport 4 promotes outstanding cleanliness for efficient engine operation.

**Applications**

Sport 4 is recommended for the majority of high performance four stroke motorcycles, where a product of this type and specification is demanded. Makes include: Aprilia, BMW, Cagiva, Ducati, Honda, Kawasaki, Moto Guzzi, Peugeot, Suzuki, Triumph, Yamaha, etc. This grade is also suitable for gearboxes where a SAE 10W-40 is required.
